On December 31, 2025, at approximately 11:43pm a Henry County Deputy stopped a vehicle in the 1500-grd of 253rd Street, near Oakland Mills with no license plates.

An investigation revealed the male driver, Mathew Weller, 20 of Salem Iowa, was in possession of narcotics and narcotics equipment. The vehicle had three female passengers ages 13-14 years old. Alcoholic beverages and vape pens were also located inside the vehicle.

As a result, Mathew was arrested for possession of drug paraphernalia, hemp inhalation. He also received citations for possession of tobacco/vape under 21 years of age, operation of a non-registered vehicle and no insurance.

The juvenile females were transported and released to guardian.

*****A criminal charge is merely an accusation, and the defendants are presumed innocent until and unless proven guilty.*****
