F Y P A

Dear Friend of FYPA,

Every day at Fairfield Youth Performing Arts, we witness something extraordinary, young people discovering their voices, their courage, and their sense of belonging through the performing arts. In less than two years, this community has created a place where children feel seen, supported, and inspired to grow. Now, as FYPA dreams bigger, we are building the foundation that will allow this magic to last. We envision a future where every child who walks through our doors has access to the space, stability, and resources they need to thrive. To help build that future, we are introducing:

THE LEGACY ARCHITECTS

A group of corporate and community leaders committed to building a lasting cultural and educational asset for southeast Iowa. Legacy Architects help fund the foundational elements that drive organizational resilience and long term value:

- A permanent facility that anchors youth arts in our region
- A modern digital ecosystem that enhances visibility and engagement
- Legal and administrative systems that ensure compliance and operational excellence
- Long term investments that strengthen FYPA's financial position

For corporate partners, this tier represents an opportunity to align with a mission that strengthens families, supports workforce ready skill development, and contributes to the cultural vitality of our region.

To explore partnership opportunities, please contact [**board@fypa-theatre.org**](mailto:board@fypa-theatre.org).

Checks may also be mailed to:
